I probably need some oriental medicine to boost me up.

Sigh. Nevermind. You'd never understand.

There you are finally. Eating slowly as usual, I see.

Nice to meet you!

Oh.., I am Jeong Ha-Ye.

It's a pretty name. Is it based on Han-Ja?

No, it's based on Han-Gul.

Han-Ja: Korean words based on Chinese letters.

Han-Gul: Original Korean words.

And I told you about this one here! The name's Lee Bom!

Hehe..., we've already exchanged our names, haven't we? Nice to meet you regardless.

How come...
